## USDA ANNOUNCES FEDERAL FUNDING

(City of Clifton to Receive a \$138,000 Grant)

**Clifton, Texas, August 28, 2002--**USDA Rural Development State Director, Bryan Daniel, announced that the city of Clifton received a \$138,000 grant to assist new and existing small businesses. The city was awarded the funds through the Rural Business Enterprise Grant (RBEG) program, which specifically targets small businesses that do not meet the requirements for other loan programs.

"The injection of funds into the Clifton area will provide revolving loan funds to attract small and emerging businesses to the city and to assist the city in right-of-way acquisition for widening the intersection of State Highway 6 and FM 219," said Daniel. "I am very pleased that USDA Texas Rural Development is able to assist in the development of small and emerging business enterprises in the Clifton area."

Potential businesses in rural communities interested in the RBEG program must employ 50 or fewer new employees; have less than \$1 million in projected gross revenue; have or will utilize technological innovations or commercialize new products that can be produced or manufactured in rural areas; or have new processes that can be used in such production. Public bodies and not-for-profit entities including Federally recognized Indian Tribes located in rural areas or in communities under 50,000 population are eligible. Priority is given to applicants from communities of 25,000 or less.
